**AMENDMENT NO. 006 TO
SOLICITATION OF OFFERS FOR
ALUMINUM OXIDE – ABRASIVE GRAIN
UNDER DLA-ALUMINUM OXIDE – ABRASIVE GRAIN-003**

The above referenced Solicitation of Offers, DLA-ALUMINUM OXIDE-ABRASIVE GRAIN-003, dated July 29, 2003, for the sale of aluminum oxide-abrasive grain, is hereby amended to revise Section A.1.a., Section B.3 Minimum/Maximum Quantity, and Section E.1 Removal of Material as follows:

1. SECTION A – SOLICITATION, Subsection A.1 Introduction (AUG 05), Paragraph a.

Delete this paragraph in its entirety and replace with the following:

- a.** The Defense Logistics Agency (DLA), Defense National Stockpile Center (DNSC), is soliciting offers for the sale of approximately **4,500 short tons** of aluminum oxide-abrasive grain. The offering will be held at 1:30 p.m., on **September 1, 2005**. Offers must be received at the address in Section B.2.a. by 1:30 p.m., local time, Fort Belvoir, VA. In the event that DNSC is closed at that time, offers for that day will be received at 1:30 p.m. on the next DNSC business day.

- 2.** All references to a minimum offer quantity of 240 short tons are deleted in their entirety.

- 3.** Section **B.3 Minimum/Maximum Quantity (JAN 95)** is deleted in its entirety and replaced with the following:

B.3 Minimum Quantity (AUG 05)

The minimum offer shall be for 20 short tons (ST) for any line item, unless a smaller quantity is all that is available for the item. If a quantity less than 20 ST is all that is available for an item, then the offer must be for the complete line item. An offer for less than the minimum quantity may render the Offeror ineligible for award.

- 4.** Section **E.1 Removal of Material (AUG 05)**, as amended in Amendment No. 005 to the Solicitation, is deleted in its entirety and replaced with the following:

- a.** The contract period is based on the quantity of material awarded and begins on the date of contract award. The contract periods are as follows:

Quantity Awarded in ST

Contract Period in Calendar Days

0 – 1,500 ST
1,501 ST or more

90 Days
180 Days

- b.** The following minimum removal schedules shall be required based on the contract periods specified above: (1) For an award with a contract period of 90 days, the Contractor shall pay for and remove a minimum of fifty percent (50%) of the total contract award quantity within the first 45 calendar days, and the remainder in the second 45 calendar days; and (2) For an award with a contract period of 180 calendar days, the Contractor shall pay for and remove a

minimum of 33 1/3% (thirty-three and 1/3 percent) of the total contract award quantity within the first two 60-calendar day periods, and the balance within the final 60 calendar days.

- c. If the Contractor fails to pay for and remove the material in accordance with the schedule specified in the contract, Contractor will be considered delinquent and no material will be shipped until payment has been received.
 - d. The contract period includes Saturdays, Sundays, and holidays. If the last day of the contract period is a Saturday, Sunday, or holiday, or the storage location is otherwise closed that day, the period of contract performance will be extended to the next Government workday.
